

## Pail /Bucket Mould

-Oil Bucket Pail    -Pail Mould  
-Medical Bucket    -Locker Bucket

Product Name: **20L Pail Mould**  
Product Size: Dia**321x355mm**  
Product Material:PP  
Product Weight: **760g**  
Thickness: **2 mm**  
Mould Material: **738H with Becu**  
Mould Cavity: **1 Cavity**  
Hot Runner: **YUDO Brand Hot runner**  
Mould size: **736\*736\*790mm**  
Injection Machine: **500Ton**  
Mould life Guarantee: **1 Million Shots**  
Cycle time: **24s'**  
Demoulding: **Full Automatic**  
Ejection system: **Stripper Plate with Air**  
Drop Test: **1.2m**

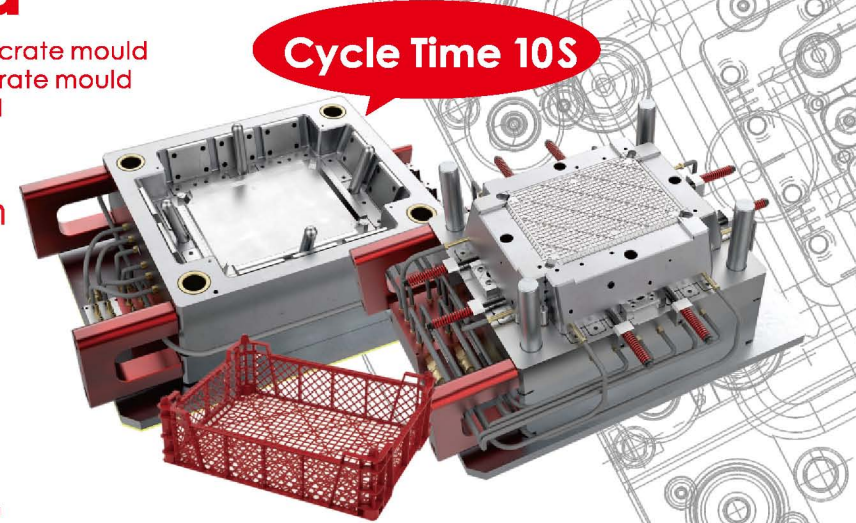

## Crate Mould

-Collapsible crate mould    -Bottle crate mould  
-Bread crate mould    -Vegetable crate mould  
-Fish crate mould    -Milk crate mould  
-Industrial crate mould

Product Size: **400\*300\*127mm**  
Product Material: PP  
Product Weight: **182g**  
Mould Size: **696\*596\*682mm**  
Injection Machine: **320Ton**

**Cycle Time 10S**

**Different height crate  
by interchang able insert**

## Homeware Mould

R&D Mould offer a variety of Homeware Mould ,  
such as Kitchware Mould ,Home Decor Mould,  
Sanitary Tools Mould,Electrical Appliances Mould,  
Commodity Mould.

## Homeware Mould

## Furniture Mould

1.Outdoor Furniture Mould  
2.Office Furniture Mould  
3.Kids Furniture Mould

**Comfortable and  
Ideal Furniture Mould Maker**

# Automobile Mould

The whole solution of  
plastic mould for automobile

## Auto Plastic Mould Solution Supplier

the whole solution of plastic  
mould for automobile

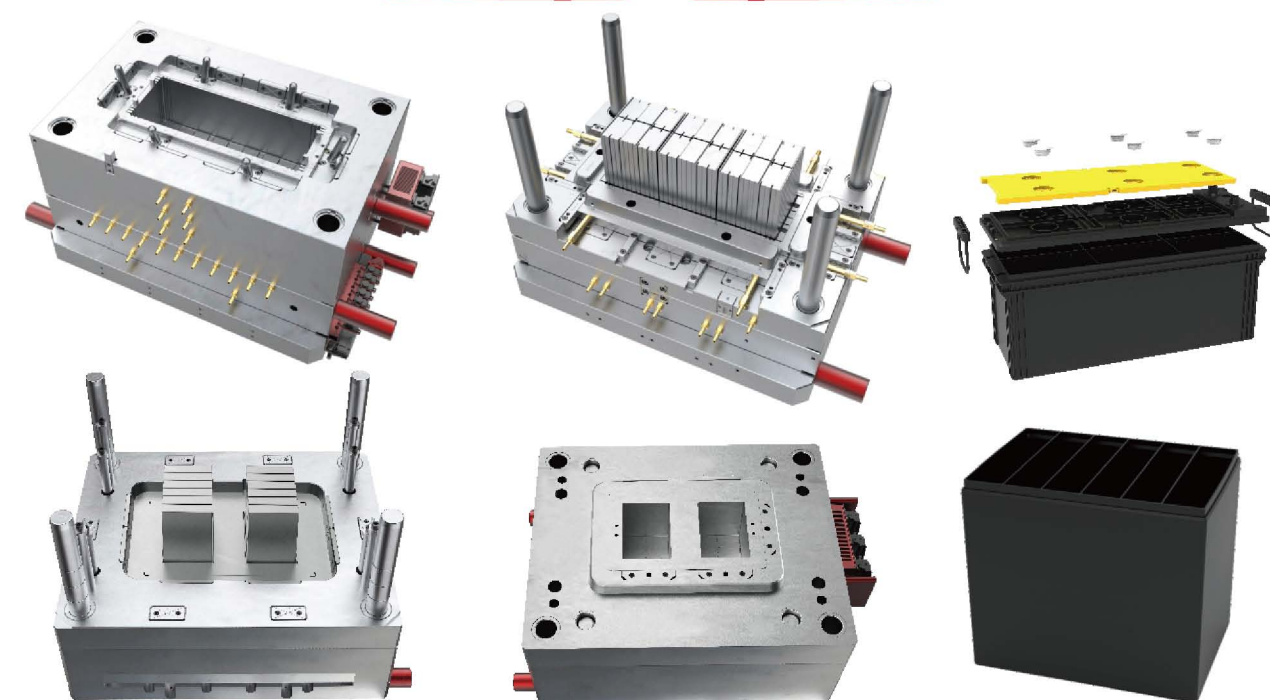

**R&D MOULD**

Strive To Be An Outstanding  
Mould Supplier In China

100 +  
Export to 100 Countries

Established in 2008, R&D Mould offers a comprehensive package of mould design, development and fabrication. Our high quality plastic injection moulds include Household Mould, Package Mould, Kitchenware Mould, Crate Mould, Automotive Mould, Electronic Parts Mould etc. We have made plastic molding tools and injection moulds for companies in Russia, America, Europe, Asia and south America etc. The market is expanding year by year.

With over 15 years experience in plastic mould design and a deep understanding of the desires of plastic parts industry, R&D Mould delivers fresh thinking plastic injection mould to help you meet the demands of 21st century clients.

R & D Mould service

- Plastic Mould & Mold Making (mould weight from 50kgs to 20tons, steel precision machining tolerance±0.02mm)
- Mold & part design
- Molding series production
- Rapid Prototyping & development
