

**Notice on the Cancellation of "HEATEC 2025 - Shanghai International Exhibition
on Heating Technology "**

Dear exhibitors, purchasers, visitors and cooperative units:

For many years, Adsale Exhibition Services Ltd., Adsale Exhibition Services (Shanghai) Ltd., in collaboration with the Industrial Boiler Branch of China Electrical Equipment Industrial Association (CIBB) and Shanghai Industrial Boiler Research Institute Co., Ltd. (SIBRI) have been committed to organize "HEATEC - Shanghai International Exhibition on Heating Technology" as a significant event to promote the development of China's heating industry. The exhibition's lineup and professionalism have earned a good reputation in the industry. However, the recent market changes in the industrial boiler sector have made it impossible for us to guarantee the success of this year's exhibition. After careful consideration by the organizers, we have decided to cancel the "HEATEC 2025 originally scheduled to be held in December 2025. If market conditions improve in the future, we will consider restarting the exhibition.

We apologize for any inconvenience caused. We will take care of the subsequent matters properly. Thank you again for your understanding and support. We look forward to meeting you at other events.

Yours sincerely,

Industrial Boiler Branch of China Electrical Equipment Industrial Association
