# TO BE ARTSIAN TO BE QUALITY MANUFACTURER

3-5 gallon preform mould

Taizhou Huangyan Haihui Mould Factory has been comitted to PET preform bottle caps, blowing, botle caps, mugs and other plastic mold research and manufacture for more than 20 years.

Our company is located in a prosperous, economic, beautiful and eastern coastal scenery area of Huangyan which is said the reputation of "China mold town".

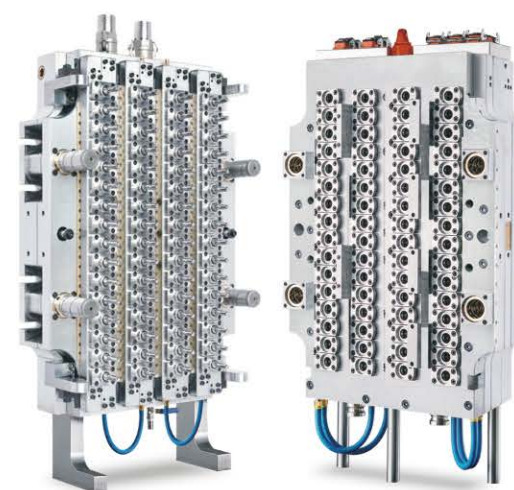

We have a professional CAD/ CAM/ CAE aided design computer numerical control machining center and a full set of CNC carved, CNC lathes, EDM, wire cutting, etc mold finishing equipment. Standing for professional PET pretform mould manufacturer,consistent quali, great customer service and flxiblit, and the ability to deliver the mould on time with superior quality.

Whether you choose from our standard range or require a bespoke exclusive solution for PET preform mould and various packing product. we will be there to help you every step of the way with PET preform product selection, design, support, technical analysis, advice and continued after-sales service. We sincerely welcome more friends to cooperate with us.

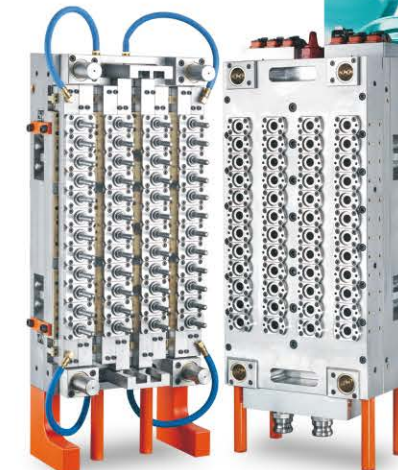

## PET PREFORM MOULD

- Mold cavity from 1 up to 72.
- Electric control system with simulating stretch testing improve yield rate.
- Adopt world advanced dipole taper localization technique, each cavity self-clamp independently, ensure mould concentricity.
- The material of mould die core and die cavity are made of Sweden special mould steel. International standard screw neck, imported nitrogen steel with high hardness is of long usage.
- Advanced hot runner design and even heating temperature make sure the high quality of plastic products.
- Valve gated type without tail reduces labor force.

64-cavity Preform Mould

48-cavity Preform Mould

8-cavity Jar Preform Mould

32-cavity Hot-runner Preform Mould

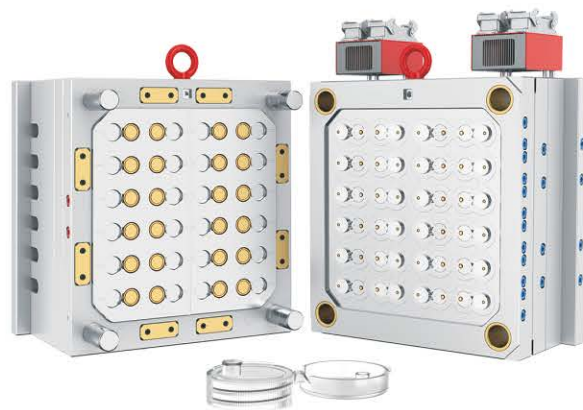

## CAP MOULD

8-cavity Hot-runner Handle Mould

8- cavity Jar Cap Mould

24-cavity Flip Cap Mould

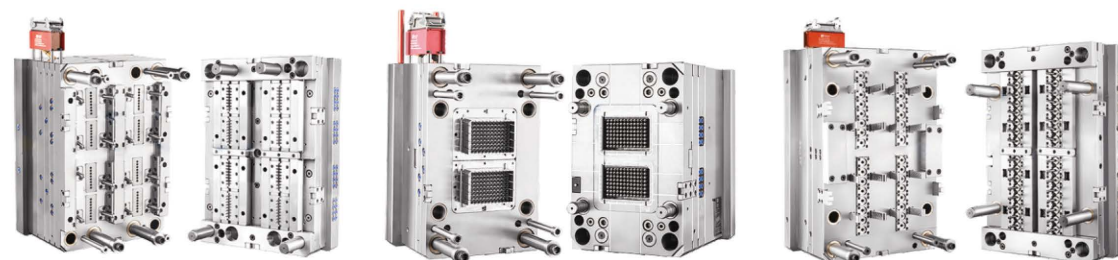

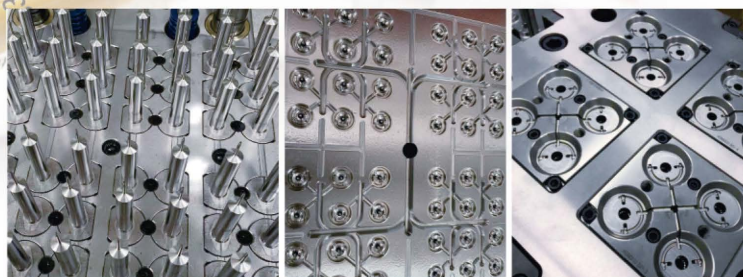

72-cavity Cap Mould

## Medical Mould

- Laboratory consumables mold
- Petri dish mold
- Urine cup mold
- Test tube mold
- Nucleic acid extraction tube mold
- Virus test card mold
- Virus sampling tube
- Centrifuge tube mold
- Tip mold
- PCR mold

## Bottle Blow Mould

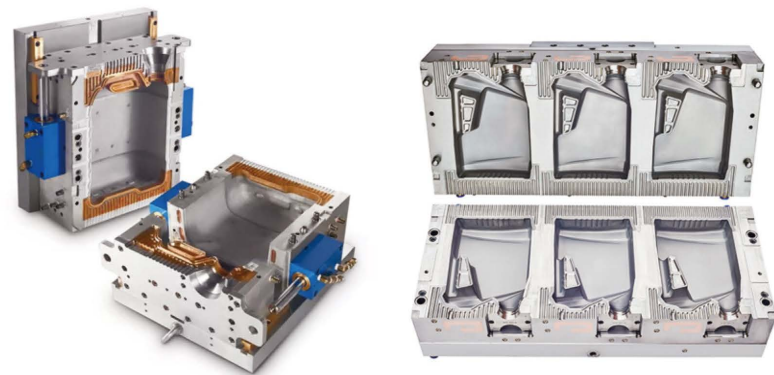

- Wide-mouth Jars Mould
- Cosmetic Mould
- Detergent Bottle Mould
- Pharmaceutical Bottle Mould
- Soya Sauce Mould
- Edible Oil Bottle Mould
- Double Seam Can Mould
- Mineral Water Bottle Mould
- Heat-resistant Bottle Mould
- Csd Bottle Mould

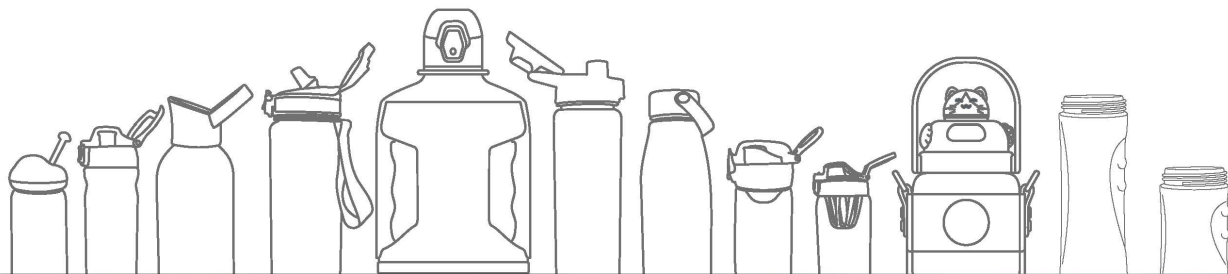

## Extrusion Blow Mould

- The mold is made by high quality steel.
- The mold is designed with 3D modeling software.
- Various container designs for option
- Reliable hard chrome plated
- Proper cooling channel design and leakage proof
- All of the parts are manufactured with CNC equipments.

Food container, ice cream container  
Thin wall lunch box, microwave  
container(bowl), plate.  
PS in-flight Cup, PS Champagne Cup,  
PS Petri dish.  
Packing barrel, Snack box.

## Commodity Mould

HAIHUI Mould, professional in food  
package mould for 20 years.

- IML mould, food package mould
- Thin wall food box/container mould
- Thin wall pail mould
- PS airline cup mould, pp cup mould
- Fork, Spoon, Knife mould
- Other commodity mould
