# 破局“轻高定”开启智造新平衡

## Overcoming Manufacturing Challenges — A New Era of Smart Balance

### 智造新平衡·共赴盛会The Smart Balance of Manufacturing·A Grand Industry Gathering

2025年9月9至12日，WMF 2025国际木工展在上海虹桥国家会展中心圆满落幕。以“智造新平衡 The Smart Balance of Manufacturing”为主题，本届展会聚焦“轻高定”时代下的制造升级与产业协同，全面展示智能生产、柔性制造、整线服务与数据驱动的前沿成果。四天展期内，观众得以近距离感受中国家具制造业的创新脉动与智造新趋势。

From September 9 to 12, 2025, WMF 2025 concluded successfully at the National Exhibition and Convention Center (Shanghai · Hongqiao). Centered around the theme “The Smart Balance of Manufacturing,” the fair spotlighted smart, flexible, and data-driven solutions shaping the future of furniture production. Over four inspiring days, WMF became a window into China’s evolving intelligent manufacturing landscape.

### 稳中求进·汇聚信心 Moving Forward with Confidence · Together

在家具制造业持续处于调整周期的背景下，WMF 2025 依然展现出稳定而务实的表现。展会占地 50,000 平方米，汇聚来自 37 个国家及地区的 400 多家参展商，**展期共录得 27,267 名专业观众，其中 3,978 名为海外观众，占比 14.6%，海外买家同比增长 18.23%**。虽然整体人流略有回落，但展商普遍反馈观众更精准、海外买家活跃度更高，为企业在行业承压的情况下带来新的合作机会与国际市场动能。

Amid continued adjustment within the furniture manufacturing sector, WMF 2025 delivered a steady and pragmatic performance. Spanning 50,000 sqm and featuring 400+ exhibitors from 37 countries and regions, the show welcomed **27,267 professional visitors, including 3,978 overseas buyers, representing 14.6% of total attendance and an 18.23% year-on-year increase**. Despite the slight decline in overall traffic, exhibitors reported a more targeted audience and stronger overseas engagement, generating valuable cooperation opportunities and renewed momentum for global market expansion.

### 赛道焕新·共创未来 Upgraded Routes · Shared Futures

五大赛道——板式/整线智能工厂、实木精工制造、软成型/异型封边、人造板/胶合板及软体家具——清晰描绘了行业的技术升级路径。特色专区“智创木研坊（WoodTech Atelier）”以“看成品，即读工艺”为亮点，17家制造商联合展示曲面、镜面与无缝封边等创新成果。配合“匠造新生”论坛及多场高峰活动，WMF 2025 以智造为笔，协同为墨，为全球家具制造业写下新篇章。

Across five innovation routes — from panel production and solid wood precision to contour edging, composite panels, and upholstery manufacturing — WMF 2025 showcased a full panorama of industry advancement. The WoodTech Atelier highlighted craftsmanship through finished products that revealed process innovation at a glance. With forward-looking forums and cross-sector collaboration, WMF 2025 celebrated a new era of balance and creativity in smart manufacturing.

# 全球木工智能制造峰会 “匠”造新生——2025高定木作新势力发展论坛

Global Woodworking Smart Manufacturing Summit:  
“Crafting a New Era” — 2025 Forum on High-end Custom Woodwork

在“新消费行为时代”，家居消费正回归理性与品质导向。消费者的关注点不再停留在价格与材料，而是转向产品颜值、工艺细节与功能体验。经历多年的发展与沉淀，一批具有匠心精神的木作企业正逐渐崭露头角——规模虽小，却定位清晰、风格独特，成为定制家居市场的新生力量。

本次活动邀请多位高定木作优秀代表，共同探讨设计与工艺、“人效”与“平效”、以及高定木作行业的趋势与未来。现场交流热烈，观点交锋精彩，为木工与家居设计的深度融合提供了新的启发。

In the era of new consumer behaviour, home furnishing consumption in China has entered a new stage of rationality and quality. Consumers now value aesthetics, craftsmanship, and functionality more than price or material. After years of development, a new wave of boutique woodworking brands has emerged—small in scale but strong in identity, representing the next generation of customized furniture craftsmanship.

The event gathered leading representatives of high-end woodworking enterprises to discuss design and craftsmanship, production efficiency, and future market trends. The lively discussions and insightful exchanges inspired new ideas for the integration of woodworking technology and home design.

嘉宾代表包括 A8空间、宝笠、关亨美学木作、富朗木作等品牌负责人及行业专家，就“高定木作的未来趋势”展开深入讨论。

Representatives from A8 Space, Baoli, Guanheng Aesthetic Woodworks, and Fullon Woodworks joined industry experts to exchange insights on future trends in high-end woodcraft during the discussion session.

# 国际木工展"优质展品推荐"

WMF Top Picks 2025 – Recommended Exhibits

为推动木工机械行业高质量发展，展示家具制造与家居智造领域的创新成果，中国林业机械协会与雅式展览服务有限公司联合举办了“2025国际木工展优秀展品推荐”活动。现场共发布约 30项入选展品，覆盖木工机械、家具生产、家居智造等多个重点领域。

本次活动帮助观众高效锁定优质产品，并清晰洞察行业最新技术趋势与解决方案。

To advance high-quality development in the woodworking machinery industry and highlight innovation in furniture manufacturing and smart home-furnishing technologies, the China National Forestry Machinery Association and Adsale Exhibition Services Ltd. held the “WMF Top Picks 2025 - Recommended Exhibits”.

Approximately 30 selected products across major sectors—woodworking machinery, furniture production, and home-furnishing intelligence—were unveiled onsite, enabling visitors to identify quality solutions efficiently and gain clear insights into the latest technological trends.

# 展商怎么说Exhibitors Speak

WMF 为何值得参展 Why WMF Delivers Real Value

## 看到人气，更看到买家质量 Strong traffic, even stronger buyer quality

本届 WMF 的观众数量和海外买家占比都有显著提升，专业度比往年更高。在行业整体承压的大背景下，这表现出主办方在推广与市场判断上的精准用功。现场组织比往年更成熟：从布展到撤展秩序良好，工作人员专业、配合度高，让我们更专注于展示与商务洽谈。作为本地企业，我们非常愿意长期参与，也期待平台带来更多客户与合作机会。

This year, WMF saw a clear rise in both visitor numbers and overseas buyer participation, with noticeably higher professionalism. Despite market pressure, this proves the organizer's sharp market judgment and effective promotion. On-site operations were smooth from setup to dismantling, allowing us to focus purely on our product showcase and business discussions. As a local exhibitor, we look forward to continuing with WMF and exploring more business opportunities through this platform.

— 原力 | 荣颢 市场部经理
