DREAMS

MAKE THE FUTURE MORE REAL

梦想 让未来更真实

20余年专注, 46000余套模头生产实践数据, 为软硬件的接轨并行提供了有力保障。优质的人才储备, 为精准的品牌服务奠定了扎实的基础。我们将目光锁定于挤出生产线的整体匹配与效能提升, 为更多客户的效益增长提供助力。

20 years of devotion and more than 46,000 sets of T-dies production experience provides strong technical background. Excellent human resource reserve lays a solid foundation for comprehensive brand service. JCTimes focuses on the improvement of overall matching of extrusion line and efficiency promotion, thus providing assistance for customers' benefit growth.

CONCENTRATION

MAKES US STRIVE TOWARDS DREAMS AT A FIRM PACE

专注 让脚步铿锵有力

历时三年, 耗资五亿, 占地60000余平方米。梦工场, 与全球同步的现代化智能工业建筑群, 将开放、自由、平等、尊重的企业文化蕴含其中, 让更多人才与科技的汇聚构筑起一个崭新的平台, 为来自全球的客户源源不断地输出高精密挤出技术及相关设备。

Dream Works, which took over 3 years construction, cost RMB 500,000,000, and covers more than 60,000m², is a globally synchronous intelligent industrial building, contains our profound enterprise culture including openness, freedom, equality and respect. It is totally a brand new platform for the combination of talents and technology. Meanwhile, it keeps outputting high-precision extrusion T-Dies and auxiliary equipment to global customers.

TECHNOLOGY

MAKES DREAMS COME TRUE

科技 让梦想实至名归

从高精度模头的研发生产到一体化解决方案的量身定制。我们致力于新技术的孵化应用, 让梦想一步步走向现实, 现已拥有60余位15年以上行业经验的专业技术工程师, 及热处理中心、电镀中心、原材料分析中心、流道模拟实验室等多个生产、研发机构, 获得各类专利近100项。

We're concentrating on the research and application of new technology for our high-precision T-die R&D and tailor-made integrated solution. Now we have more than 60 technical engineers with more than 15 years of working experience. And we have several R&D centers, such as 'heat treatment center', 'electroplating center', 'polymer analysis center' and 'flow channel simulation lab'. By now we've attained nearly 100 patents.

INTEGRATED

SOLUTION

一体化解决方案

经验丰富的销售工程师, 结合ERP管理系统24小时实时动态跟踪, 独有的品牌服务体系, 可随时接受全球客户的咨询与监督。
